- "I'm not much of an art person, but..."

Used to acknowledge a lack of interest in art, but often followed by a specific piece or style they do appreciate.

■ I'm not much of an art person, but I really love the Impressionist paintings at the museum.

- "That's a real piece of art!"

Used to express admiration for something beautiful, well-crafted, or impressive, even if it's not traditionally considered art.

■ That cake you baked is a real piece of art! It looks too beautiful to eat.

- "It's a work of art."

Used to describe something that is exceptionally well-made or beautiful.

- "To appreciate art, you have to look closely."

Used to emphasize the need for careful observation and understanding when appreciating art.

- "To be a cut above the rest"

To be significantly better than others.

- "To have an eye for art"

To be able to appreciate and recognize quality in art.

■ She has an eye for art, so she was able to spot the forgeries in the collection.

- "To be a master of one's craft"

To be highly skilled and proficient in a particular art form.

■ He's a master of his craft, and his sculptures are simply breathtaking.

- "To be lost in the moment"

To be completely absorbed and engrossed in an experience, like viewing a piece of art.

■ I got so lost in the moment while looking at the abstract paintings, I forgot all about time.

Extra learning

What kind of art do you like?

Is art popular in your country?

How can children benefit from learning art?

Why do you think some people enjoy looking at paintings and sculptures and others do not?

How has art changed in last few decades in your country?

What are traditional art forms in your country?
